

## **Statewide Citrix Users Group**

Please join the Statewide Citrix Users Group.

The Department of Personnel and Administration is interested in partnering with state agencies, higher education institutions, and local governments to form a group that will participate in determining the strategic direction of a statewide Citrix service offering. As a group we can leverage buying power to achieve competitive pricing on licensing and hardware, realize savings from a pooled licensing model, and create a network of knowledgeable IT professionals to share experiences and work through technical challenges.

### **Statewide Citrix Users Group**

**July 10, 2007, 11:30am – 1:30pm**
